EDUCATION

- 2010 M.Sc in Clinical Microbiology and Immunology,
Faculty of Graduate Studies, Jordan University of Science and Technology, Jordan. G.P.A
of 87.1; very good standing.
Thesis title "The Effect of Different MEFV Gene Mutations that cause FMF on
the Production of IL-6 from Peripheral Blood Mononuclear Cells".
- 2006 B.Sc in Medical Lab Technology, Faculty of Allied Medical Sciences,
Arab American University, Jenin. G.P.A of (3.79);
Ranked the first (top) student among the faulty graduates of 2005- 2006.
- 2002 General Secondary Certificate (Al Tawjihi), Scientific Stream, Al- Adawiah Sec. Girls School,
Tulkarm. Excellent average (92.4%).

JOB EXPERIENCE

2012- present: **Lecturer**, Medical Laboratory Sciences Department, Allied Medical Sciences Faculty,
Arab American University Palestine

Courses taught:

- Basic microbiology course and laboratory
- Microbiology for nursing
- Diagnostic microbiology course and lab
- Epidemiology and public health course
- Immunology Lab
- Blood Bank Lab
- Clinical Chemistry Lab

2010-2012 Medical Lab technician and teaching assistant, Medical Laboratory Sciences
Department Arab American University Palestine

2008, 2009 Teaching assistant /Medical Parasitology and Microbiology lab, Faculty of Applied
Medical Sciences, Jordan University for Science and Technology, Jordan

2006-2007 Medical Lab technician and teaching assistant, Medical Laboratory Sciences Department
Arab American University Palestine

2006 Medical Lab technician, Voluntary, Al Zakah Hospital
(Private Hospital, Tulkarm).

TRAINING COURSES

- 2012 Active learning course." Changing the Way We Teach in AAUJ". Planning and Development Department, Arab American University
- 2012 SPSS 14 course. Continuing Education Center AAUP (30 hours)
- 2010 Multimedia technology in education (Adobe captivate 4), Arab American University- Jenin (36 hours)
